I agree to the processing of personal data provided in this document for realising the recruitment processes pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

Dariusz Kuriata

I'm in the process of making a career transition. After many years as a teacher I've decided to start learning something new. Recently I've been learning how to create websites and apps. I'm also doing a Selenium testing course in Java. I've passed the ISTQB Foundation Level exam. I am determined to start a career in the IT world. I care about self-development, I am open to acquiring new skills and competences. I can start working ASAP.

COURSES, CERTIFICATES AND PROJECTS

1. ISTQB FL Certificate
2. Resume website project updated on GitHub
3. Webinar: Basic Java, basic Python course
4. Selenium in Java (course in progress)
5. Teaching qualifications (nominated teacher)
6. 1st degree School Tutor training course with a certificate
